Credit Card Payment Agreement

For your convenience, MASTERCARD and VISA credit and debit cards are now accepted as payment for Scrip purchases. Since there are merchant fees associated with offering this payment option, a Convenience Fee of 3% of your total order will be charged to your credit card.

Please read and sign the agreement below if you would like to use this payment option:

I, _____, understand that a Convenience Fee of 3% will be added to my total Scrip purchase amount. I also give permission for the Scrip volunteers to process the charges with the credit card information given below. I understand that this information will be securely kept on file at the bank for future scrip purchases. I understand this information will be shredded after my first Scrip order is complete. I must authorize credit card charges for future orders with my signature on the Scrip order form. I will notify the Scrip coordinators of any changes to the credit card information. If my credit card is declined, payment by check or cash must be received in order to pick up the filled scrip order.
