

ALUMNI & ALUMNI FAMILIES

Welcome Back! Thank you for reconnecting with HFK!

Whether it's been years, decades, or just last week since you were at Holy Family, we welcome you back to your school and community. Our alumni and alumni families are an important part of our school and it is our hope that you find joy in reconnecting with friends, teachers and the community.

Please take a minute and update your contact information so we can send you our alumni newsletter "Cougar Connection" and keep you informed about reunions, alumni events and other alumni news.

Welcome back to HFK! And remember, *Once a Cougar, Always a Cougar!*
